Subject: START Ops for Monday

Good Afternoon [redacted]

I understand you will be on Site Monday morning. Right away we will need 1 START in the HZ for rad screening on Property 2 and a 2nd START on Property 3 to XRF for hot spots. Please refer to the existing Collector data

[redacted]

ERRS is done with the big piles on Property 3. We are now targeting possible hot spots. The drone is expected late Monday Morning

Thank you
Chris
